DISCOVER MIDDLE EASTERN RACING

The Porsche Carrera Cup Middle East, established in 2009, is a premier one-make racing series featuring Porsche 911 GT3 Cup cars. It offers a competitive platform for both emerging and seasoned drivers on renowned circuits like Yas Marina and Bahrain International.

The Clio Cup Middle East is a thrilling one-make racing series featuring Renault Clio Cup cars, held on top circuits like Dubai Autodrome and Yas Marina. The close racing and emphasis on driver skills develops local motorsport talent and offers exhilarating experiences for fans and participants.

The Gulf 12 Hours is an endurance racing event held at the Yas Marina Circuit in Abu Dhabi. Featuring a mix of GT and prototype cars, this prestigious race tests the stamina and skill of international teams and drivers.

The GulfProCar is a competitive racing series held across top circuits in the Middle East, featuring a variety of car classes. This series provides a platform for both amateur and professional drivers to showcase their skills in a highly competitive environment.

The 24 Hours of Dubai is a prestigious endurance race held annually at the Dubai Autodrome. Featuring a diverse grid of GT and touring cars, this event attracts international teams and drivers, testing their endurance and skill over a full day of racing.

The Asian Le Mans Series is a premier endurance racing championship held across top circuits in Asia. Featuring a mix of LMP and GT cars, this series attracts international teams and drivers, offering a platform for high-level competition.
